TESTIMONIAL / LETTER OF REFERENCE

To Whom It May Concern,

This letter serves as a testimonial for **Jayden Heng Ghim Wee**, who worked with Define PC Pte Ltd as a part-time PC Builder and Technician for approximately six months.

During his time with us, Jayden was consistently responsible and punctual, and could always be relied upon to complete his assigned tasks. His attitude and work ethic were an asset to our team, and he carried out his duties as a PC builder and technician with diligence and care.

I am happy to recommend Jayden and believe the discipline and dependability he showed at Define PC will serve him well as he continues his studies. Please feel free to contact me should you require any further information.

Yours sincerely,

Tan Youshan

Director, Define PC Pte Ltd
